ABOUT

Rosés are playful and refreshing like riding bikes on a summer day. A nice rosé reminds us to not sweat the small stuff, and remember that it's all small stuff in the big picture.

PROFILE

Aromas of fresh watermelon and a hint of Rainer cherries are carried in the wind as you pedal along the path to a delicious bouquet of strawberries, raspberries and hints of mild spice. A rosé that stays true to style and lets you ride along nicely.

FOOD PAIRING

Spicy Thai dishes, fish tacos, grilled kabobs
