### ABOUT

How do we describe a beautiful woman? She is a Stone Cold Fox! What better name could you find for a cold white blend that is aged in concrete tanks? This Stone Fox will strut her stuff down any runway!

### PROFILE

Undeniably the fox of all foxes! Aromas of glazed pear and sun-kissed peach are followed by exotic floral notes. Mouth-watering minerality, great depth, and a silky body accent the soft palate. The flavors are long, well-balanced and sophisticated, while the crisp and complex finish is sure to satisfy white wine lovers.

### FOOD PAIRING

Pesto pasta, crab cakes, beet salad with goat cheese
