3-4 years

**ALCOHOL**  
13.5%

**ACIDITY**  
6.0 g/L

**pH** 3.35

**PRODUCTION**  
2,500 cases

**SRP**  
\$17.99

### TASTING NOTES

Aromatic with refreshing acidity, this Sauvignon Blanc features lively citrus, crisp apple, vibrant stone and tropical fruit notes. Balanced and smooth, the grassy character and dry minerality leads to a clean and refreshing finish.

### WINEMAKER NOTES

Made from the sustainably grown Sauvignon Musque Clone, which is known for its intensity and array of aromas and notes associated with expressive and fine Sauvignon Blanc. These grapes were gently harvested at night to ensure cooler temperatures as they moved to the winery. Gentle pressing was followed by a long, slow and cool fermentation to preserve the aromatic intensity and beloved flavors. Some light lees contact provided a layered, balanced and smooth wine.

### APPELLATION

Lake County's rugged topography, high elevation, warm climate, and clean air make it a noteworthy growing region. This wine comes from a single vineyard in the Big Valley District nested-AVA. The cooling influence from the high elevation combines with the intense California sunshine to provide a significant diurnal temperature shift. This diurnal shift along with the well-drained gravel soils creates the perfect conditions for grapes to ripen slowly, preserving the acidity while the aromatics intensify. These Lake County Sauvignon Blanc grapes reach their fullest expression.

### FOOD PAIRING

This Sauvignon Blanc is crisp and aromatic, making it the perfect accompaniment to green salads, seafood, poultry, and moderately spicy dishes.

*We pay homage to the rich ranching tradition of the American West through our wines. Worn by those who made California what it is today, the Spur was a tool used by cowboys and ranchers to direct, propel and advance a horse forward. Similar to a spur, our Winemaker directs grapes grown in exceptional vineyards into become intriguing and elegant examples of their varietal.*
