

JELLY JAR

2018 RED WINE
CALIFORNIA

BRAND STORY

With deep roots in traditional California winemaking, Jelly Jar is reminiscent of a time when families crafted food-friendly wines to enjoy around the table - often out of jelly jars instead of wine glasses.

BLEND

Zinfandel, Cabernet Sauvignon, Merlot

TASTING NOTES

Full of ripe fruit notes rather than sweetness, Jelly Jar is loaded with aromas of ripe blackberry and juicy cherry. Flavors of plum and warm vanilla are accompanied by approachable, velvety tannins and a long finish.

FOOD PAIRING

Perfect for a weekday pizza night, summer bbq! Jelly Jar also pairs well with classic Italian dishes like chicken parmigiana.
