

# FLO Chardonnay

{California}

**Tasting Notes:** Lemon and citrus notes with a hint of green apple. Flavors of tropical fruit, baked fig and vanilla with buttery overtones on the finish.

The grapes for this Chardonnay were whole-cluster pressed and the juice was sent directly to the barrel for fermentation. Sixty percent of the wine underwent malolactic fermentation to lend softness and was later blended with the balance to give the finished wine acidity and structure.

**PAIRING:** Shrimp Pasta, Grilled Chicken, Brie Cheese

ABV: 13.5% | 750ML
