

# FLO Cabernet Sauvignon

{California}

**Tasting Notes:** Aromas of black cherry, warm spice and vanilla, with assertive flavors of rich plum and dark berries, spiked with currant and espresso.

The Cabernet Sauvignon grapes were harvested at dawn, allowing the grapes to be brought into the winery still chilled from the cool night air. After 14 days of fermentation, the wine was pressed and transferred to French oak barrels where it was fermented for 16 months.

**PAIRING:** Prime rib, grilled flank steak, chocolate dessert

ABV: 13.5% | 750ML
