

TRUE MYTH

2019 CABERNET SAUVIGNON

PASO ROBLES

Coming from hand-selected vineyard sites, this wine showcases the power and lushness of Cabernets from Paso Robles. Beloved for its rolling hills East of the Salinas River and steeper hillsides, cut by small canyons, West of the Salinas River, the Paso Robles AVA is a large, diverse appellation that begins six miles away from the deep, blue Pacific Ocean. While the hot days allow Cabernet Sauvignon to fully ripen, the Ocean influence and higher elevations of the hillsides bring cool nighttime temperatures that maintain high acidity in the grapes. Sourced from old vines, which bring the bold, powerful and opulent notes of black cherry, cassis and pepper associated with high-quality Cabernet Sauvignon. Cool-climate Syrah from our home in Edna Valley is an important part of this blend, as it imparts blue fruit and red cherry notes, as well as a noteworthy juiciness and memorably silky texture.

2019 Vintage

The 2019 vintage in Paso Robles benefited from a long summer without excessive heat. A later than normal harvest, without any heat spikes, allowed the grapes to reach their full ripeness while retaining acidity. The 2019 vintage will be celebrated upon release and in years to come.

Tasting Notes

This Cabernet Sauvignon is pure Paso Robles, full of polished aromas of black cherry, cinnamon and vanilla bean, leading to flavors of dark red fruits, cocoa powder and hints of black pepper and caramelized oak. Rich yet smooth, this wine is very approachable now, and will continue to mature for years to come.
