TRUE MYTH

2020 CHARDONNAY

EDNA VALLEY

Mother Nature is intriguing and elusive, reigning on high with grace and beauty. Coming from SIP Certified Sustainable vineyards in the cool climate of San Luis Obispo's Edna Valley, this wine showcases the generous gifts of Mother Nature.

Our vineyards are less than 7 miles inland from one of Mother Nature's greatest creations, the deep, blue Pacific Ocean. The ocean influence ensures that Edna Valley is one of the coolest growing regions in California.

The unusually long growing season allows Chardonnay to ripen fully while maintaining a naturally high acidity. We show our respect to Mother Nature by creating this quality wine that exhibits the true elegance of Chardonnay from Edna Valley. Each vintage of this wine mirrors the splendor of Mother Nature.

Tasting Notes

Displaying aromas of ripe pear, pineapple, tangerine and caramel, this is a classic Chardonnay from the Edna Valley. It is rich and creamy and bursting with tropical fruit flavors. Refreshing acidity keeps the wine lively on the finish, a signature of Paragon Vineyard, it is balanced by the excellent accompaniment of vanilla bean and toasted oak.
