VINTAGE 2021

The popular Bread & Butter range from California was previously a Majestic exclusive, but is now available in Sainsbury's. One for fans of big, ripe New World styles, this offers plenty of bang for your buck: ripe juicy black currants and blackberries; hints of mint and toasty vanilla; a smooth palate with silky tannins.

*Tasted by: Julie Sheppard (at Sainsbury's Spring/Summer Tasting 2023, 02 May 2023)*

*Part of: Winter party wines: 25 at £20 or under*
