

# TRUE MYTH

CABERNET SAUVIGNON

*Paso Robles*

Coming from hand-selected vineyard sites, the True Myth Cabernet Sauvignon showcases the power and lushness of the Paso Robles region. Beloved for its rolling hills, small canyons, and temperature swings that create a perfect environment for grape growing, the Paso Robles AVA is a large and extremely diverse appellation that is a mere six miles from the Pacific Coastline. Hot days allow fruit to fully ripen while the ocean influence and higher elevations of the hillsides bring cool nighttime temperatures that provide ample time for acidity to develop. Sourced from old vines, which bring the bold, powerful and opulent notes of black cherry, cassis and pepper, this wine is a beautiful reflection of a marquee region and talented winemaking.

## 2022 VINTAGE

The 2022 harvest season will go down in history for Paso Robles. A scorching triple-digit heat spit in the beginning of September unleashed winemakers across the region into an earlier than usual harvest. Sugar and acidities were challenging to balance as fruit was picked, but the final result of the rush is a set of bold and beautifully balanced, bright wines that will age well for 5-10 years.

## TASTING NOTES

This Cabernet Sauvignon is pure Paso Robles, full of polished aromas of blueberry, cherry and vanilla, leading to flavors of dark red fruits, black currants and hints of pepper, mocha and caramelized oak. Rich yet smooth, this wine is very approachable now, and will continue to mature for years to come.
