

HERE BY CHANCE

PASO ROBLES

2023 CABERNET SAUVIGNON

Here by Chance is a true presentation of Paso Robles Cabernet. Made by Veteran, Award-Winning Winemaker Rob Takigawa after 20+ years of experience making both large & small production red wines from Paso Robles. This wine is designed to compete in the luxury price segment by having millennial appeal (values emotional connection over prestige), being true to place (a blend of East & West side Paso Robles) and true to what the consumer expects from a Paso Robles Cabernet.

TASTING NOTES:

A surge of cocoa and plum on the nose, giving way to boysenberry, cassis, violets and sage. Bold and generous on the palate, ripe red cherry, cassis, and blackberry are wrapped in layers of espresso, dark chocolate, and sweet spice. Bold tannins provided structure and a lush mouthfeel giving a luxurious finish that leaves a lasting impression.

APPELLATION: 100% Paso Robles – East (Creston, San Juan Creek) and West (Adelaida); richness and dark fruit weight of the East balanced by the structure, acidity, and minerality of the West.

STYLE: Bold and full bodied with a luxuriously opulent mouthfeel
