

GLOBERATI

PINOT GRIGIO

ITALY

IGT PUGLIA

Getting in ahead of the competition, Globerati stalks the finest vineyards of the world, swooping in at the opportune moment to bring you the latest sensational wine.

VINEYARD NOTES

Puglia is the “heel” of Italy. This hot growing region is surrounded by two seas that bring in cool breezes to the grapes and prevent them from ripening too quickly, while the warm sun brings forth fruity and rich flavors.

WINEMAKING NOTES

The Globerati Pinot Grigio fruit was picked at its optimum level of ripeness and transported to the winery where the grapes were destemmed and crushed. The juice was then separated from the skin immediately and transferred to temperature controlled stainless steel tanks. After fermentation the wine was cold stabilized and bottled to ensure maximum freshness.

TASTING NOTES

This softer and richer style of Pinot Grigio tantalizes from the first sip with fresh citrus, pear and peach notes. A gentle acidity balances the rounder, fuller body with a delightfully crisp edge.

FOOD PAIRING

This soft, yet crisp Pinot Grigio pairs well with a fresh Caprese salad or with a creamy Alfredo pasta with sautéed vegetables.
