ROSÉ

ITALY

VINO D'ITALIA

Getting in ahead of the competition, Globerati stalks the finest vineyards of the world, swooping in at the opportune moment to bring you the latest sensational wine.

VINEYARD NOTES

Globerati Rosé is a blend from the delectable growing regions of Puglia and Sicily. Warm summer days and cool nighttime temperatures create optimal growing conditions for producing this delicate wine.

WINEMAKING NOTES

The Globerati Rosé fruit was picked at its optimum level of ripeness and transported to the winery where the grapes were destemmed and crushed. The juice was then soaked with the skins for a short period of time to obtain a gentle rosé color. Once the skins were separated, the juice was then transferred to temperature controlled stainless steel tanks. After fermentation the wine was cold stabilized and bottled to ensure maximum freshness.

TASTING NOTES

Globerati Rosé dances across the palate with a delectable hint of fresh strawberries followed by a crisp and clean finish.

FOOD PAIRING

This Rosé is a perfect match for a roasted beet salad with goat cheese and pistachios.
