GLOBERATI

SAUVIGNON BLANC

CHILE

VALLE CENTRAL

Getting in ahead of the competition, Globberati stalks the finest vineyards of the world, swooping in at the opportune moment to bring you the latest sensational wine.

VINEYARD NOTES

Let your palate roam with this delicate Sauvignon Blanc from the Central Valley of Chile. Chile's Central Valley is comprised of four sub-regions: the Maipo Valley, Rapel Valley, Curicó Valley and Maule Valley.

WINEMAKING NOTES

Globberati Sauvignon Blanc grapes are harvested in the early morning to ensure freshness at low temperatures. After grapes were destemmed at the winery, some grapes were rushed directly to the press for a slow and gentle pressing, maximizing flavor and clean juice. Another small portion of the fruit was left to macerate on its skins to extract flavor. Once fermentation was complete, the wine was racked off its excess lees and again stored in temperature-controlled stainless steel tanks before blending and bottling as quickly as possible, ensuring the vibrant flavors and crispness in this Chilean Sauvignon Blanc.

TASTING NOTES

Flamboyant and fresh, Globberati Sauvignon Blanc, showcases citrus bursts of lemon and grapefruit aromas with a hint of honeysuckle. Mineral notes balanced with a green apple acidity make this a sassy Chilean Sauvignon Blanc.

FOOD PAIRING

Globberati Sauvignon Blanc pairs well with fresh blacken white Tilapia tacos in handmade corn tortillas.
