

GLOBERATI

TEMPRANILLO

SPAIN

VINO DE LA TIERRA DE CASTILLA IGP

Getting in ahead of the competition, Globerati stalks the finest vineyards of the world, swooping in at the opportune moment to bring you the latest sensational wine.

VINEYARD NOTES

In Spain's hot and arid high central plateau (Meseta), the high altitude plains allow the grapes to develop a superior level of ripeness, while maintaining a balanced acidity to create an elegant Tempranillo.

WINEMAKING NOTES

Tempranillo grapes were gently hand-picked and sent to be crushed and pumped into stainless steel fermenters to envelope optimal fruit aromas. After a few weeks in stainless steel the skins and juice were then separated and sent to undergo 6 days of Malolactic fermentation. The wine then spent time in French and American oak barrels to reach quintessential aging before filtration and bottling.

TASTING NOTES

Globerati Tempranillo has concentrated cherry and plum flavors, topped with overtones of vanilla and cedar. The firm structure of this wine is softened by barrel aging in French and American oak.

FOOD PAIRING

Grilled spiced lamb chops with vegetable ragout creates a match made in heaven for Globerati Tempranillo.
