# HAWKSTONE

NAPA VALLEY

## CABERNET SAUVIGNON

*Hawkstone wines are made with grapes grown in the heart of the Napa Valley, long regarded as the epicenter of the golden era of California wine. These quintessential Napa Valley wines weave their tale with every bottle.*

### TASTING NOTES

Robust flavors of ripe berries blend harmoniously with smoky oak and subtle hints of eucalyptus and earthiness. An elegant cassis note complements the long, noble finish.

### APPELLATION

Grown in the Napa Valley, long regarded as the epicenter of the new golden era of California wine, these grapes benefit from complexity of soil types.

### FOOD PAIRING

This wine is great with braised beef short ribs or smoked onion and Gruyere cheese tarts.
