

# PARKERS

## ESTATE

Parkers Estate offers handcrafted wines, carefully selected from California's finest vineyards. With a wide selection of distinct wines, these varietals pair well with any occasion.

### CHARDONNAY

#### TASTING NOTES

Lemon and citrus notes with a hint of green apple. Flavors of tropical fruit, baked fig and vanilla with buttery overtones on the finish.

#### WINEMAKING NOTES

The grapes for this Chardonnay were whole-cluster pressed and the juice was sent directly to barrel for fermentation. Sixty percent of the wine underwent malolactic fermentation to lend softness and was later blended together with the balance to give the finished wine acidity and structure.

#### FOOD PAIRING

Enjoy this wine with roasted chicken, risotto, or leafy green salads.

**REGION:** California

**VARIETAL:** Chardonnay

**ALC:** 13.5%
