

TUATEA

[tōō · ah · tay · ah]

2023 SAUVIGNON BLANC

MARLBOROUGH

NEW ZEALAND

*In New Zealand's native Māori language,
Tuatea means “Crest of the Wave”.*

TASTING NOTES:

This distinctly Marlborough Sauvignon Blanc offers a pleasant blend of zesty citrus, guava and understated lemongrass.

A balanced acidity sets the stage for a persistent, clean finish.

APPELLATION NOTES:

Marlborough, New Zealand's largest wine growing region, is located at the northern tip of the South Island. This viticultural area enjoys high sunshine hours and a temperate climate.

Warm days and cool nights help slow the ripening of the grapes, allowing for key hang time and development of unique passionfruit flavors synonymous with Marlborough Sauvignon Blanc. The cool temperatures of this region guarantee the aromatic expression, balanced natural acidity and tropical characteristics that have made Marlborough Sauvignon Blanc wines famous.

FOOD PAIRING:

Pairs beautifully with grilled seafood dishes and leafy green salads.

ABV: 13%

BOTTLE SIZE: 750ml

VEGAN FRIENDLY & GLUTEN FREE
