

LUNA CHIARA

2024 Pinot Grigio Valdadige DOC

LUNA CHIARA is the true reflection of a full Italian moon: full of illumination and liveliness. Translating to 'clear moon', our Italian Pinot Grigio welcomes you with aromatics of citrus fruits, peach and yellow melon met with a mineral background on the palate and finishing with a bright acidity. *Salute!*

Valdadige DOC takes its name from the Adige River, which flows from the Austrian border through the valley into the Verona area, crossing three renowned Italian wine regions: Alto Adige, Trentino, and Veneto. Vineyards sit between 200–700 meters on alluvial, limestone, and gravel soils, benefiting from a Continental Alpine climate with Mediterranean influences and the warming Ora del Garda wind, which together promote aromatic finesse and a crisp structure.

VARIETAL Pinot Grigio
APPELLATION Valdadige
VOLUME 750 ml
ABV 13%

FOOD PAIRINGS
Pairs well with light
seafood, fresh salads, soft
cheeses and pasta

TASTING NOTES

Light straw yellow, with delicate coppery reflections. The nose expresses a pleasant light bouquet of citrus fruits, peach and yellow melon with a mineral background. On the palate it is dry, light – medium bodied with core of fruit while at the same time characterized by a focused supporting acidity and minerality that gives it purity, freshness and elegance characteristic of the Valdadige region. An excellent food wine.
