

TRUE MYTH

CABERNET SAUVIGNON

Paso Robles

True Myth Cabernet Sauvignon is built on elegance — from the first pour to the last sip. Where many California Cabernets lead with power and extraction, True Myth takes a different path: refined, balanced, and approachable without sacrificing depth or complexity. A Cabernet for the wine lover who wants sophistication over spectacle.

STYLE This is not a big, bold Paso Robles Cabernet. Drawing inspiration from the Old World, True Myth celebrates elegance and restraint over ripeness—structured and composed. A style that veteran, award-winning winemaker Rob Takigawa has been crafting and refining for over 20 years.

VINEYARDS AND WINEMAKING The fruit comes from hand-selected vineyard sites on the East Side of Paso Robles — rolling hills and small canyons where hot days ripen fruit fully and cool ocean-influenced nights preserve the acidity and freshness that define this wine's character. Old vines, harvested on the earlier side, deliver concentration without over ripeness. To deepen the Old-World expression and elegance, Winemaker Rob blended in 12% cool-climate Syrah — this amplifies the restraint of the black fruit, floral notes on nose and palate, and provides the beloved silky yet structured mouthfeel that is distinct and unique to this wine. Aged 18 months in a careful selection of 25% new French oak and 20% American oak, the barrel program adds tannins and subtle layers of cedar, spice, and vanilla without overwhelming the wine's natural elegance — honoring the Old-World philosophy that oak should support the fruit, never define it.

2024 VINTAGE The 2024 Paso Robles growing season began with abundant winter rainfall, providing strong soil moisture and healthy vine growth. A cool spring delayed early development, followed by warm summer conditions that encouraged steady ripening. Smaller berries and lighter yields helped concentrate flavor, while Paso Robles' signature warm days and cool nights supported balance and structure. The resulting Cabernet Sauvignon shows rich, expressive fruit, deep color and mature flavors with the concentration and structure characteristic of an exceptional Paso Robles vintage.

TASTING NOTES Black cherry, cassis, and a whisper of cracked pepper lifted by violet florals. The palate is polished and composed — dark red cherry, blueberry and black currants mingling with mocha and sweet spice. Layered notes are framed by firm, fine-grained tannins and bright acidity, with the Syrah weaving in a silky, seamless texture. The finish is long, graceful, and smooth. It is ready to drink not but also ages beautifully in the bottle.

ACCOLADES 90 points, *Tasting Panel*, May 2026 Issue
“Focused tension, with cooling acidity and a bright persona. Tart cherry, tobacco leaf, and mocha go a long way, with a cedar-seasoned finish.”

VARIETAL SOURCE
San Miguel, Derby, Windfall Farms,
Orcutt Road

VARIETAL
Cabernet Sauvignon

STYLE
Rich, fruity, full-bodied and smooth

APPELLATION
Paso Robles

HARVEST DATES
9/26/24 - 10/19/24

BOTTLING DATE
6/17/26

FERMENTATION
Fermented 12 to 16 days at 82°F on
D254 yeast

OAK
Aged on French and American oak
for 18 months

ML 0.0125 g/L

ALC 14.78%

PH 3.78

TA 5.58 g/L

RS 0.25 g/L
